

# 2025 High School Scholarship call

We are a foundation committed to supporting young Mexicans who demonstrate a high level of dedication to their personal, academic, and social development through Educational Scholarships to study high school at private institutions.

## What does the scholarship cover?

100% registration and tuition in partnership with private high schools in the ZMG.

\*Does not include insurance, books, supplies and other items outside of registration

## Where can you study?

INSTITUTO DE CIENCIAS  
Colegio Jesuita de Guadalajara

BACHILLERATO  
CERVANTES  
LOMA BONITA

PrepaTec

ITESO, Universidad  
Jesuita de Guadalajara

UNIVERSIDAD  
TECMILENIO

IMPORTANT: EPA Foundation A.C is not responsible for the procedures, dates or costs of admission to the aforementioned schools. Contact the institution of your interest to find out about its admission requirements and processes.

If the school requests payment for a reserved spot, Fundation EPA A.C. is not responsible for any refund.

## Requirements to apply for the EPA Foundation scholarship:

- **Minimum average of 9.0** in each year of high school completed.
- **Lack of sufficient financial resources** to study at a private institution.
- **Maximum age of 16** at the time of application.
- Applying for a scholarship to start from the **first semester of high school**.
- Must be admitted to the institution of your choice **before February 22, 2025**, and send us the acceptance letter.

**RECEPTION OF APPLICATIONS**  
**OCTOBER 1 TO DECEMBER 22, 2024**

# Selection Stages

## 1 Submit Application

Fill out the following form and attach your Birth Certificate and SEP grades for each year of high school completed.

In order to access the link, you must have a Gmail account. Information will be sent to you through this account to track your application.

Ensure you have all required documents and information ready at the time of registration, as the system does not allow changes after submission.

<https://forms.gle/C3mnuJUJuks4YSfWA>

Upon submission, you will receive a copy of your responses to the registered email, confirming that your application was received

**Important:** EPA Foundation is not responsible for incomplete applications or incorrect information provided by applicants. You will be notified if you move on to the next stages via the email you register.

## 2 Socioeconomic study:

If you meet the profile and submit the application correctly and on time, you will proceed to this stage, which requires payment for the socioeconomic study (\$650 MXN) to schedule a visit by a social worker to your home.

## 3 In-person interview:

You will be called together with your parents/guardians

## 4 Bootcamp:

The penultimate stage of selection that will allow you to demonstrate your skills and abilities.

## 5 Selection committee:

A group of specialists will analyze the finalist profiles that will make up the new generation of 2025.

## 6 The results will be published on our official website..

## Upon receiving the scholarship, students commit to the following

- Maintain a minimum of 90 at the end of each high school semester.
- Participate in one volunteer project per semester with Civil Associations linked to EPA Foundation, A.C.
- Attend mentoring sessions and training activities organized by EPA Foundation.
- Comply with the internal regulations of EPA Foundation, A.C.I

### Requirements to be awarded a scholarship by Foundation EPA at Prepa Tec (Tec de Monterrey)

- 1 Choose the bicultural high school program.
- 2 Send a letter of admission before February 28, 2025. Applicants who do not meet this requirement will lose the opportunity to study at Prepa Tec, but may continue in the process with their second choice of school.
- 3 Apply for a socioeconomic scholarship with Prepa Tec, have the results before March 11 and obtain a 40% need level. (Essential requirement established by the educational institution).
- 4 A maximum of 3 scholarships will be awarded for Prepa Tec. Meeting these three requirements does not guarantee a place at this institution, so applicants must have a second-choice school if awarded an EPA Foundation scholarship
